**Re: Red Light Payment Refund Request
Compass Radio of San Diego, Inc.
FRN: 0003771821
(KPRI(FM), Encinitas, CA; Facility ID Number 51503)**

Dear Ms. Haley:

Compass Radio of San Diego, Inc. ("Compass") hereby requests a full refund of its \$3,456.25 payment made on March 2, 2006. *See* Exhibit 1 (providing a receipt of the payment by Compass of its alleged outstanding FCC debt). As explained herein and demonstrated in the attachments, Compass surrendered the authorizations in question years ago and accordingly was not required to pay 2005 regulatory fees for those licenses.

According to the FCC's letters dated January 31, 2006, ref. nos 06RE000829 – 835, Compass failed to pay \$395.00 for each of seven booster stations, call signs KPRI-FM1 to FM7, as part of its 2005 regulatory fee payment. *See* Exhibit 2 (providing copies of the FCC letters). As a result, the FCC blocked processing of Compass' then-pending application and required it to pay \$493.75 for each of the seven booster stations for a total of \$3,456.25, which included a late payment penalty. On March 2, 2006, in order to facilitate the FCC's processing of a then-pending application for KPRI, Compass paid the alleged outstanding debt and now seeks a full refund of that payment.

A refund is warranted here because Compass surrendered the authorizations for those booster stations approximately eight years ago in 1998. Attached as Exhibit 3 are two date-stamped surrender letters dated 1998 showing conclusively that Compass relinquished its authorizations to use five of the seven KPRI booster stations. (KPRI's former call signs were "KIOZ" and "KXST", previously licensed to Oceanside, CA). Unfortunately, because of the time period involved, Compass has been unable to find any documentation associated with the surrender of the remaining two booster stations,

Ms. Judith Haley
March 21, 2006
Page 2

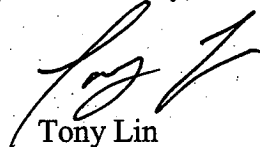

KPRI-FM3 and KPRI-FM4. However, Compass affirmatively recalls having intended to surrender the FCC licenses for all of its booster stations and has not used those authorizations for years. *See Exhibit 4 (providing declaration by Compass).* In the alternative and to the extent necessary, Compass requests the FCC cancel the two remaining booster station authorizations, KPRI-FM3 and KPRI-FM4, and provide a refund in the amount of \$2,468.75 for the fee payment for the other five booster stations.

For these reasons, please issue a refund check in the amount of \$3,456.25, made payable to the licensee of KPRI:

Dear Licensee:

This letter is in reference to the annual 2005 regulatory fee(s), which were due to the Federal Communications Commission (Commission) by no later than September 7, 2005. This is a mandatory fee established by Congress in accordance with The Omnibus Budget Reconciliation Act of 1993. The fees are used to offset costs associated with the Commission's enforcement, public service, international and policy and rulemaking activities.

The Commission is currently verifying its FY 2005 Mass Media Bureau regulatory fees collection to identify those regulatees who have not paid. Our research indicates that we have no record of your 2005 regulatory fee payment for the following call sign:

KPRI-FM1

The amount now due is \$395.00 plus 25% penalty of \$98.75 for late payment of the fee(s). The total amount now due is \$493.75. Payment in full should be remitted with the enclosed Form 159 to: **Federal Communications Commission, P.O. Box 358340, Pittsburgh, PA 15251-5340 within thirty (30) days of the date of this letter.** You should submit all payments that may be due including the 25% penalty for each call sign. To obtain a copy of the Public Notice for further instructions, go www.fcc.gov and click on "Fees." Then click on Regulatory Fees and locate your particular service.

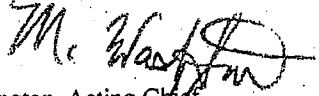

If payment has been made, please provide a complete copy of your submission including proof of payment. If you believe you are not obligated to pay under the Commission's rules, please submit complete documentation supporting your position **within thirty (30) days of the date of this letter.** These documents should be sent to: **Federal Communications Commission, Revenue & Receivables Operations Group, Room 1A821, 445 12th Street, SW, Washington, DC 20554.**

We urge you to verify that proper payment was made to the Commission for this or any other call sign in past years. If you find that you were responsible for this payment but neglected to provide it in a past year, please remit those additional fees plus a 25% penalty before additional administrative action is undertaken.

You are cautioned that failure to respond and/or pay the penalty will subject you to further sanctions as defined by CFR Section 1.1164 of our Rules. These sanctions include subjecting the delinquent payer's pending applications to dismissal, and may require a delinquent payer to show cause why its existing instrument of authorization should not be revoked. Further sanctions include interest charges, and the full cost of collection to the Federal Government pursuant to Section 3720A of the Internal Revenue Code and the provisions of the Debt Collection Improvement Act of 1996.

EXHIBIT 4

Declaration of Jonathan Schwartz

I, Jonathan Schwartz, hereby state the following:

1. I am the Executive Vice President of Compass Radio of San Diego, Inc. ("Compass"), the FCC licensee of KPRI(FM), Encinitas, California, whose former call signs were "KIOZ" and "KXST", previously licensed to Oceanside, CA.
2. In 1998 or thereabouts, Compass intended to surrender the authorizations for all seven of its booster stations, KPRI-FM1 to KPRI-FM7. Although I have located copies of the surrender letters to the FCC for five of the seven booster stations, I have been unable to find documentation associated with the surrender of the other two booster stations. Nonetheless, I affirmatively recall intending to surrender the FCC licenses for those stations.
3. Compass has not used any of the booster station authorizations since their surrender in 1998 or thereabouts.

Jonathan Schwartz
